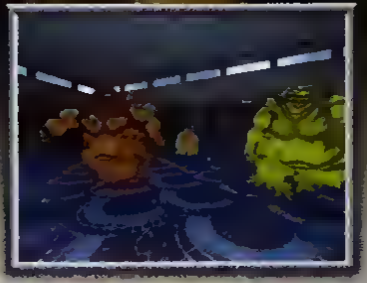
ALL-NEW ADVENTURE. COMPLETELY 3D.

You've never seen Might and Magic™ like this. Explore an all-new 3D universe filled with richly-detailed castles, dark foreboding dungeons, lush outdoor environments and much more! Lead a party of four player characters and up to three non-player characters on a quest to save your home, the peaceful land of Chedian, from the bloodthirsty Beldonian Horde. Develop each character's skills in the talents of either Might or Magic.



- † All new stunning 3D game engine creates a whole new realistic gaming experience!
- † Choose from over 65 quests to complete along the way.
- † Tailor each character's development in either Magic or Might.
- † Create a party of 4 main characters and hire non player characters who will fight alongside you.
- † Explore over 40 massive levels!
- † All-new Spell Combat system - Spellcasters have a wide diversity of practical fun spells!
- † Intuitive interface and all-new Conversation system.
- † Multiple character classes, each with unique strengths and weaknesses.
